

Do you want to build a snowman?

FOLLOW THE CLUES TO BUILD YOUR SNOWMAN.

TAKE A PHOTO OF EACH PART YOU FIND.

- 1 Like my snowman's base, this picturesque place is round. In summer, water shoots up, making a lovely sound.
- 2 Rolling snowballs into snowmen can make you tired. You'll find my middle where iron balls once fired.
- 3 My head you'll find where you pay to play with other white spheres during the day.
- 4 Two black dots, those are my eyes. Find them where the path crosses a ditch that's dry.
- 5 My nose is a carrot which grows underground. Where an old machine that dug spuds sits, I can be found.
- 6 Oh, yummy, yummy! Find my mouth soon! Here I can eat thick shakes with a spoon.
- 7 Among books and games, if only you could, find my arms that are thin and made of wood.
- 8 Count my buttons - one, two, and three. Find them where pies are covered in cheese.
- 9 Where donuts are scarfed down fast, find my warm, striped scarf at last.
- 10 Put a hat on my head, and not my feet; find it where the women love to meet.

Hey Kids, bring your completed form or photos to Marilyn's Two at 123 W. Second St. to claim a special surprise! While Supplies last.
